

IWAGY Membership Application 2024 Membership

It Was A Good Year, Inc. ("IWAGY") is a wine-tasting Club that was founded and incorporated in 1980. Its mission is the education of its members about wine.

The Club typically holds 5-10 wine tastings per year, and most years also offers a "wine dinner" or other food-wine pairing event, where each course is paired with different wine.

It is led by its members through elected Officers and Board of Directors

The membership fee is for a household, i.e., 1 or 2 persons at the same address. Single persons who join may also bring one guest to any or all events at the member's price for each specific event. Event prices vary slightly due to our costs (venue, wines, food, etc.).

Our event invitations are published via email, and also include any associated information that we can provide about the Club's activities. Membership entitles you to receive our event invitations, and to a reduced rate per event vs. the rate paid by non-members (typically \$5 lower than non-members). Our Club's website is ***IWAGY.org***; event invitations are also posted there.
