

IWAGY Membership Application 2023 Membership

It Was A Good Year, Inc. ("IWAGY") is a wine-tasting Club that was founded and incorporated in 1980. Its mission is the education of its members about wine.

The Club typically holds 5-10 wine tastings per year, and most years also offers a "wine dinner" or other food-wine pairing event, where each course is paired with different wine. It is led by its members through elected Officers and a Board of Directors.

The membership fee is for a household, i.e., 1 or 2 persons at the same address. Single persons who join may also bring one guest to any or all events at the member's price for each specific event. Event prices vary slightly due to our costs (venue, wines, food, etc.).

Our event invitations are published via email, and also include any associated information that we can provide about the Club's activities. Membership entitles you to receive our event invitations, and to a reduced rate per event vs. the rate paid by non-members (typically \$5 lower than non-members). Our Club's website is ***IWAGY.org***; event invitations are also posted there.

If you have any questions about membership, please contact one of the Board members:

As we are working to expand our Club's website (IWAGY.org) and make it more informative and of greater value to our membership, we occasionally add photos from our various events, which may include pictures of members enjoying themselves or participating in the presentation of the activity. If you do NOT wish to have your picture appear on our website (which is not exclusive to the membership and is available to the general public), you can "opt out" by emailing or calling Tim Free or Joe DiDonato (webmaster) and letting your wishes be known. Here's how you can contact Tim or Joe:
