

IWAGY Membership Application 2025 Membership

It Was A Good Year, Inc. ("IWAGY") is a wine-tasting Club that was founded and incorporated in 1980. Its mission is the education of its members about wine.

The Club typically holds 5-10 wine tastings per year, and most years also offers a "wine dinner" or other food-wine pairing event, where each course is paired with different wine.

It is led by its members through its elected Board of Directors and Officers.

The membership fee is for a household, i.e., 1 or 2 persons at the same address. Single persons who join may also bring one guest to each event at the member's price for that event. Prices vary slightly for events due to our costs (venue, wines, food, etc.).

Our event invitations are published via email, and also include any associated information that we can provide about the Club's activities. Membership runs for a calendar year and entitles you to receive our event invitations, and to a reduced rate per event (typically \$5 lower) vs. the rate paid by non-members. Our Club's website is ***IWAGY.org***; event invitations are also posted there.
