### **IWAGY Event Greeter:** Addendum

*Greeter (one or two people to arrive 30 minutes before event start time)*

- Please talk to members (who are checking in) about helping IWAGY recruit new members. If there are membership cards on the table, they will have the name of the member; please distribute them to the appropriate members. Explain that they are intended to be used when talking to people about IWAGY, and that they can be given to prospective members. Any member who wants more cards can get them by emailing Tim Free, whose contact info is on each event invitation, and also on the Club's website, IWAGY.org.
- We also try to have copies of the IWAGY brochure on the Greeter's table. These can also be given to members who are checking in and can be used for the same purpose: recruiting new members. IWAGY's leadership attempts to keep 'friendly' businesses (wine shops, etc.) stocked with these brochures.
